 - Cost: \$132 for the entire six-week program, Parents wishing to ski while kids are in lessons and with them in their free ski time may do so by selecting the ticket-only option

Important Information:

- Before Registering: Please carefully review the Ski and Snowboard Levels of Ability to ensure proper placement in the appropriate lesson group.
- Level of Ability: Your selection will determine the student's group for the entire program, and it is crucial to be as accurate as possible.
- Alternative Options: If the selected group does not work for your child, you can use a dollar-value credit towards a transfer to a private lesson to ensure the student's needs are met.
