

TOBACCO FREE SCHOOL

Smoking and use of all tobacco products is prohibited within the Chebeague Island School or on any school property. Possession of any tobacco products by students is prohibited at all times within the Chebeague Island School and on all school property. Students found smoking, using tobacco products or in possession of any tobacco products on the school grounds, will be subject to disciplinary consequences up to and including the possibility of suspension.

ASBESTOS NOTIFICATION

The Chebeague Island School has been inspected for the presence of Asbestos Containing Building Materials (ACBMs). A written plan for the management of these materials has been developed. This plan notes the type and location of ACBMs within the school. The management plan is an outline of operational procedures designed for the proper maintenance and safety of all people who work, study or are otherwise present in the building to minimize the exposure to asbestos hazards. A copy of this plan is available for inspection at the Chebeague Island School Office.

The condition of all Asbestos Containing Building Materials will be semi-annually subject to surveillance. All contractors working within the Chebeague Island School shall be informed of the location and condition of all ACBMs.

(This notification is published to achieve compliance with 40 CFR, Part 763.)

TEACHER QUALIFICATIONS

The Chebeague Island School receives federal monies to support various educational programs and services to children. As such, we are required to notify the parent/guardians of each student that they may request, and the school will provide, information regarding the professional qualifications of classroom teachers.

Any parent/guardian wishing information concerning staff qualifications should contact the Principal at 846-4162.

(This notification is published to achieve compliance with Section 6311 of NCLB Act.)
