Dear Parents,

Enclosed please find the following information in preparation of a new school year:

- Bus Schedule
- CTC Guidelines
- CISD Bus/Boat Rules

Please review the CTC guidelines and Bus/Boat Rules with your student prior to the first day of school (August 31 for Greely and September 6 for Harrison Middle School). *Please note that you **do not** need to put your 6th-12th grade student's name on the logsheet when he or she is traveling to the mainland to attend a school function or activity.*

As most of you know, we are beginning the transition to the Yarmouth School system this fall with the sixth graders starting at Harrison Middle School on September 6. Because the Yarmouth bus is scheduled to arrive at Cousin's a little later than the Greely bus, **starting September 6**, CTC will be adjusting the "school boat" schedule. On **September 6**, the "school boat" will leave Chebeague at 2:30 and is scheduled to depart Cousin's Island at 2:45. However, the boat will wait until both the Greely bus and the Yarmouth bus deliver their students to Cousin's Island before they depart. This later departure time will most likely impact Virginia's bus run as well. She may have to drop some of the middle and high school kids off and then pick up the CIS students and continue her run from there.

Thank you in advance for your patience with the changes this year. I hope you feel free to call me or any of the school committee members with questions you might have.

Remember that the CIS website is a resource for all school department related information www.chebeauge.org/cis. Feel free to call with any questions.

Have a great year!

Sincerely,

Alton L. Hadley, III
