August 19, 2011

Dear Parents,

In preparation of the new school year, I'm enclosed the following:

- CIS 2010- 2011 Handbook
- CIS Calendar
- Bus Schedule
- Student Information Form
- August/September Lunch Menu
- Free and Reduced Lunch forms

Please fill out and return the Student Information Form to us ASAP as well as the Free and Reduced Lunch form if applicable. Please review the Bus Rules in the handbook with your student(s) prior to Wednesday, August 31, the first day of school for kindergarten – fifth grade students. Pre-K students will start on Thursday, September 1.

Pre-K parents, Miss Nancy has typically taken a verbal lunch order for her Pre-K students each morning. However, if you would like to pre-select your child/children's lunch choice yourself, you may do so by circling the days your child/children would like Mrs. Summa's lunch on the menu provided and return it to school. I am enclosing 2 copies of the menu for you in case you would like to send one back with the selections and keep one for your own information. Feel free to call with questions. For your information, each lunch prepared by Mrs. Summa costs \$2.50.

Remember that the CIS website is a resource for all school related information www.chebeauge.org/cis. Feel free to call with any questions.

Have a great year!

Sincerely,

Alton L. Hadley, III
Superintendent
