

Birds of Chebeague Island's Indian Point

1976 - 2010

Compiled by Tineke Breed with
photos by Beverly Johnson

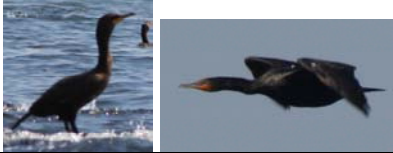

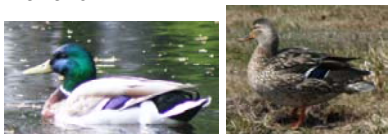

Chebeague & Cumberland Land Trust

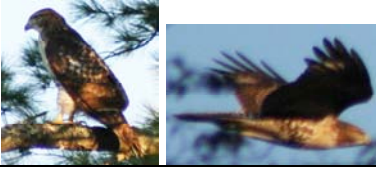

Indian Point Birds 1976 to 2010

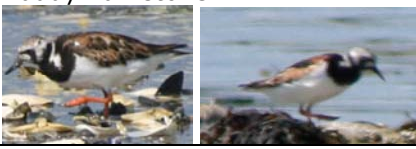

Below is a record of observations of birds by Tineke Breed from 1976 to the present. Tineke walks down to the hook almost every morning between 6 and 8 am from mid June until Labor Day. She also often walks between 7 and 8 pm. Some of her recordings are also when she would come for a few days in May to open up her house. A few of the birds are migratory during the time Tineke is not here, so she is unsure whether they are still being seen. Photos were all taken on Chebeague by Beverly Johnson from 2008 through 2010.

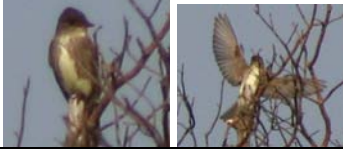

Common Loon 	Common
Red-necked Grebe	Once in 2009
Double Crested Cormorant 	Common
Great Blue Heron 	Common
Black-crowned Nightheron 	Uncommon
Yellow-crowned Nightheron	Once in 2008

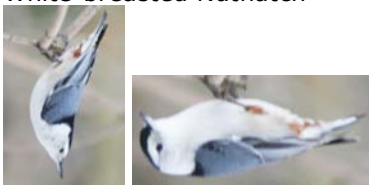

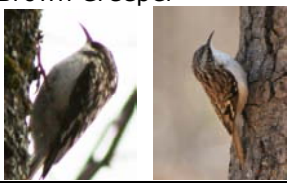

American Bittern	Once in the 80's
Snowy Egret 	Common
Brant	Once in 2008
Canada Goose 	Common
Snow Goose	Once in 2005
Mallard 	Common

Common Eider		Common
Bufflehead		
Greater Scaup		
Lesser Scaup		
Black Scoter		
Red-breasted Merganser		Common
Bald Eagle		Common
Sharp-shinned Hawk		
Cooper's Hawk		Common
Osprey		Common
Red-shouldered Hawk		
Broad-winged Hawk		Common
Red-tailed Hawk		Common
American Kestrel		Common
Merlin		Less Common

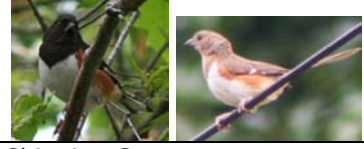

Turkey Vulture		Common
Northern Bobwhite		Seen in 2006
Black-bellied Plover		Common
Semipalmated Plover		Common
Piping Plover		One pair for a month 1990 endangered
Greater Yellowlegs		Once in 2004
Lesser Yellowlegs		Common
Semipalmated Sandpiper		Common
Solitary Sandpiper		Rarely Seen
Spotted Sandpiper		Rarely Seen
Willet		Not seen after 2005
Whimbrel		Once in 2007
Ruddy Turnstone		Common
Sanderling		Rarely
Red Knot		Once in 2004
Dunlin		Less Common
Curlew Sandpiper		Once in 2009
Least Sandpiper		Common

Short-billed Dowitcher		A few during migration
Wilson's Snipe		Once in 2003
American Woodcock		Once in 1998
Bonaparte's Gull		Common
Franklin's Gull		Less Common
Black-backed Gull		Common
Laughing Gull		Common
Herring Gull		Common
Ring-billed Gull		Common
Common Tern		Common
Roseate Tern		Less Common
Rock Dove		
Mourning Dove		Common
Yellow-billed Cuckoo		Once in 1986
Common Nighthawk		

Ruby-throated Hummingbird		Common
Belted Kingfisher		Common
Downy Woodpecker		Common
Hairy Woodpecker		Very Common
Yellow-bellied Sapsucker		Rarely Seen
Northern Flicker		Common
Pileated Woodpecker		Uncommon
Olive-sided Flycatcher		Rare seen in 2010
Willow Flycatcher		
Eastern Kingbird		
Warbling Vireo		not seen in 2010
Philadelphia Vireo		Not seen in 2010
Red-eyed Vireo		

Blue Jay 	Common
American Crow 	Common
Horned Lark	Once in 2001
Barn Swallow 	Common
Cliff Swallow	Uncommon
Black-capped Chickadee 	Common
Red-breasted Nuthatch 	Common
White-breasted Nuthatch 	Common
Brown Creeper 	Common
House Wren	
Winter Wren	
Wood Thrush	
Hermit Thrush 	

Veery	
Robin 	Common
Brown Thrasher	
Gray Catbird 	Common
Northern Mockingbird	Common
Cedar Waxwing 	Common
European Starling 	Common
Yellow Warbler	
Chestnut-sided Warbler	
Magnolia Warbler	
Black-throated blue Warbler	
Black-throated green Warbler	
Yellow-rumped Warbler 	
Pine Warbler 	
Prairie Warbler	Once in 2009
Wilson's Warbler	Last seen in 2006
American Redstart	
Black and White Warbler 	

Common Yellowthroat 	Common
Northern Water Thrush	Not seen in 2010
Ovenbird	Often heard but hard to see
