

# Pirates, Whales & the Gulf of Maine

Pirates and whales rank high among the “charismatic megafauna” of the oceans. Who were pirates really? And why did they summer in the Gulf of Maine?

Every summer Finbacks, Humpback, Minke and North Atlantic Right Whales travel up the coast. Where are they coming from and where are they going?

Join Certified Interpretive Guide Jeanne Christie of Connect to Wilderness to hear stories of the past and present--of pirates, whales and much more-- above and beneath the waters of the Gulf of Maine.

Monday, August 14th  
7-8pm at the CRC  
Free for kids & adults  
\*All pirates pay 1 doubloon
