Summer Preschool

Summer Preschool will run Tuesday and Thursday mornings 9:00-11:30 am

June 7th – Backyard buddies

July 12th and July 14th – Farm Fun week

Discover the joys of gardening and farm life through hands-on activities.

July 19th and July 21st – Small Soccer and Sports week

The same week as Challenger Soccer Camp, children will learn about physical fitness and health through lively outdoor games and activities.

July 26nd and July 28th – Crafts, Crafts, Crafts!

Children will be encouraged to explore their inner creativity through hands-on art and activities.

August 2th and August 4th - Summer Seashore Exploration

This week will be spent exploring the Chebeague intertidal zone and introducing children to the diversity of the seashore through fun filled science activities, crafts and games.

August 9th and August 11th – Fairy Tales, mythical creatures and imaginations!

We will expand the children's budding imaginations with classic fairy tales and nursery rhymes. Children will learn about the magic of stories through music, art and dramatic play.

August 16th and August 18th – Young scientists: wonders of the woods

Through exploration we learn about the wonderful animal and plant life hiding in the woods habitat right behind the Kid's Place through activities, crafts and play.

August 23rd and August 25th – Fantastic Feathery Friends

This week will focus on the fascinating world of birdlife on Chebeague Island. From seagulls to chickadees, the children will learn about our feathery friends through wonderful hands-on activities, basic science experiments and crafts.

August 30th – Backyard Buddies
