

Ferry Schedule Changes

In the customer survey conducted last year, our customers were divided on how we should change the schedule, if at all.

Where should CTC add trips?	
Reduce trips to reduce our cost	31%
Trips are fine the way they are	30%
Add Morning Trips (before noon)	6%
Add Afternoon Trips (noon until 6pm)	5%
Add Evening Trips (after 6pm)	32%

CTC is currently evaluating our schedule to determine what changes, if any, are needed. We invite our customers to give us their feedback. Please pick up a questionnaire on the boat, at the Island Market, or at the Library. Or go on-line to www.ctccustomersurvey.com and give us your thoughts. Let us know by April 15th.

Thanks!
