

TOWN OF CHEBEAGUE ISLAND

It is that time of year again to license your dog.

To license your dog, the cost is \$6 for neutered or spayed dogs and \$11 for unaltered dogs. Please bring a current Maine rabies certificate and a certificate that shows the dog has been altered.

All dogs 6 months or older MUST be registered each year. Please stop by the town hall (by the fire station) before the year ends to avoid late fees.

A \$15 late fee will be charged after January 31, 2008. After April 1, 2008, the late fee will increase to \$25.
