**Re: Stone Wharf Application 2007**

Dear Chebeague Island Boater:

The Town of Cumberland and the Chebeague Island Transition Team have agreed to bring to the Chebeague Island Town Meeting on July 1, 2007 a proposal to split the fees for the moorings and the stone wharf tie-ups 50/50.

The Town of Cumberland will send the Town of Chebeague a check for 50% of the fees collected as of July 1, 2007. It is important to register your mooring and get your boat assignment for the upcoming season. If you have any questions, please contact my office or speak with one of the Transition Team representatives about the revenue sharing proposal.

The Town of Cumberland will be monitoring the Stone Wharf until July 1, 2007. The Harbormaster's boat will be staying with Chebeague Island after July 1.

We anticipate installing all of the floats back in the water sometime in the month of March, weather permitting.

Thank you in advance for your cooperation.

Sincerely,

William R. Shane  
Town Manager

# Stone Wharf – Float Tie-up Allocation
