All creatures great and small are invited to come out to the Chebeague Island UMC for a Saint Francis Day Blessing. The Blessing of the Animals is an ancient celebration done in remembrance of Saint Francis, the patron saint of animals and the environment, who believed that all of creation (including animals!) should be treated with care and respect.

All animals – be they furry, feathered, or scaled – are welcome to come and receive a blessing. Leashes please.

We’ll have snacks for kids of all ages (and pets too!)

All Are Welcome!
