

What's New at CTC?

New Policies

Don't miss our last cruise of 2013!

Our last cruise (foliage cruise) will be held on Sunday October 13th, leaving the Stone Pier at 4pm and returning at 6pm. We will have live entertainment from several local musicians. Get your tickets at the office or on the Islander.

FARE POLICY

Children traveling to community group events (such as soccer, little league, etc.) on the mainland may do so at no cost. One chaperone per vehicle may also travel at no cost. This service is offered by CTC to support the community. Beginning October 1st, we will ask persons traveling under this policy to sign a log so that we can track the use of this benefit. The policy is posted on the Islander and our website. Please call the office with any questions.

At their September meeting, the CTC Board adopted two new policies for the protection of both our passengers and employees—the Wheelchair Use Policy and the Package Transport Policy.

Wheelchair Use Policy

We strive for the safe transportation of all passengers to and from Chebeague. Crew members will make every reasonable effort to help those passengers who need to be transported on or off the ferry in a wheelchair. However, there may be times when the captain of the ferry deems it unsafe for a crew member to transport a passenger up or down the ramp due to stormy weather, steep angle of the ramp, icy conditions, etc. At those times, the captain may deny passage to a passenger in a wheelchair due to concerns for the personal safety of either the

crew member or the person in the wheelchair.

Package Transport Policy

It is the Policy of the Company to transport packages both on and off the island as a service and convenience to our customers. Customers requesting package transport by ferry boat or bus will be responsible for assuring proper packaging of contents and labeling for delivery, as well as making arrangements for delivery or pickup. All packages transported by the Company shall be **carried at the customer's risk, and** the Company shall have no liability for lost or damaged packages or their contents. Normal freight fees apply.

Congratulations

to Captain Jen
Howard and deckhand Chip
Corson on their recent marriage!

2014 Parking

Parking applications for annual parking permits will be mailed in October to current permit holders. The applications will also be posted on the parking page on the website by October 15th. We are pleased that there will not be a pricing increase again this year for either the Cousins or Route One parking lots. Parking spaces on Cousins are limited and each year we have more applicants than available spaces. Priority is given to Island residents, especially those who commute. When you complete your application, please provide any information that you feel may help us in our decision process.

Commuter Parking

Starts 11/1

Every year from November 1st to March 31st we designate a "commuter parking" area in the Cousins lot. This is reserved for persons commuting to the mainland Monday-Friday at least 3 days per week. The purpose is to improve our snow removal ability. Commuters will be given a special sticker on their permit.
