

Pam and Brad Smith Cottage

Chebeague Island, Maine

Our ocean view cottage is conveniently located at 25 John Small Road, the road that leads to the boatyard (with its great gift shop and upscale take out menu, as well as coffee bar, wine and beer) and beach. We have easterly views of Half Mile Rock Lighthouse in the distance from the wrap-around porch. We're not far from the Island grocery and Island library and Roses' Point beach is a short walk away.

Charmingly decorated with colorful Maine Cottage© furniture and vintage pieces, this circa 1890's renovated cottage (at one time a chapel, moved to this location in the early 1900's) has a master bedroom on the first floor, with king size bed, and full-house width bedroom upstairs featuring 2 twin beds. Modern bath with shower on the first floor. Open floor plan galley kitchen, dining room, and living room.

Weber gas grill. Large screen SmartTV with Netflix etc, strong wireless, Internet. Wrap around deck with Adirondack chairs. Washer/Dryer. Landline Phone. Cellphones work.

Fully outfitted with quality LL Bean bed linens and towels and comfortably furnished you need just bring your clothes and groceries (though the Island store carries almost anything you could need). References required please and Security/Damage Deposit. No pets. No smoking. \$3,500.00 per week, includes utilities, Sat. 3 PM to Sat.11AM rentals, sometimes I can adjust days. For reservations please contact Pam at 207-595-3065 (cell) or by e-mail at pamelasmith2@hotmail.com.

We love and care for our Maine island cottage and think you will too!
